2017 CACJ ANNUAL TRAINING CONFERENCE

ATHENS, GA

Thank you to all team members who took time out of their busy schedules to attend the 2017 Annual Training Conference in Athens, GA. There were over 1200 team members in attendance over the three days so the learning was endless. The power point presentations and plenary videos are available on the intranet for coordinators to share with their teams. We also would like to thank our exhibitors who participated as well as speakers, moderators, and other volunteers. The conference was successful because of all the teamwork that was displayed. Great job everyone!

PARTICIPANT ART EXHIBIT

We hope you all had the opportunity to stop by the resource room, across from the atrium where you registered, to pick up literature on accountability courts nationwide and to view the participants' beautiful art work. Thank you to all the coordinators who recognized their participants' talents and shared them with court teams from all over the state of Georgia. Special recognition is also due to the participants who submitted their art exhibits for display. Take a look at some of the art exhibits below.

STAR AWARD RECIPIENTS

In the event you were not able to partake in the Mexican buffet during lunch on Tuesday and missed the STAR Awards Ceremony, please help us congratulate the following team members who have gone above and beyond for accountability court participants. If you have a team member that exhibits outstanding qualities and is compassionate about working with your program, please don't hesitate to nominate them next year. Thank you to Judge D. Scott Smith and Judge Reuben Green for presenting the STAR Awards.
