

## Adult DUI/Drug Court Certification Application

The Council of Accountability Court Judges (Council) has created a certification process for the DUI/Drug courts. The certification process is part of an effort to ensure courts are adhering to standards and practices developed by the Council. Below you will find the instructions for completing the attached Certification Application (Application) along with contact information if you have any questions or concerns.

The Application is organized by Georgia's *Standards for Accountability Courts*. Following each standard is an adopted benchmark prescribed by the Council, also found in Georgia's standards. The benchmarks are numbered as they are found in the Georgia standards. Each benchmark is categorized as a mandatory requirement or a best practice. The mandatory requirements represent the highest priority benchmarks, many of which are in statute. Your DUI/Drug court team should meet these mandatory requirements or show evidence you are working towards them. Benchmarks that are categorized as best practices are often found in high performing programs. Your team should strive to meet these benchmarks, but should place a higher priority on the mandatory requirements.

For every standard benchmark in the Application, a certification requirement is listed. The requirements detail the steps your court should take to meet the adopted standards. Where requested, please mark a response for each requirement. For every certification requirement, a suggested location is provided. For example, many of the certification requirements suggest that certain forms or information be contained in a policy and procedure manual. You can look at your DUI/Drug court's manual for these items or, if you do not meet the requirement, you can use the suggested location as a guide for implementation. There is also a documentation section for each requirement. Please use this section to indicate if your court meets the requirement. This section should also be used to indicate if there is a supporting form or document for the requirement, and to instruct the certification committee where to find the necessary attachments. For example, if you keep a list of your DUI/Drug court team members in the policy and procedure manual, attach a copy of the manual and cite the page number for the committee.

Please consult your DUI/Drug Court team as necessary when completing the Application. Once you have filled out your Application and have gathered the necessary attachments, please upload them to the CACJ website at <http://www.gaaccountabilitycourts.org/cacj-certification>.

New courts that are still in the development phase may be eligible for a certification waiver. Please contact Josh Becker for questions regarding certification waivers. Please contact Josh Becker at 404-463-6298 or [josh.becker@georgiacourts.gov](mailto:josh.becker@georgiacourts.gov) if you have any questions.
