

Veterans Treatment Court Certification Application

As required by O.C.G.A. § 15-1-17, to receive state appropriated funds veterans treatment courts (VTCs) must be certified by the Council of Accountability Court Judges (Council). The certification process is part of an effort to ensure VTCs are adhering to standards and practices developed by the Council. Below you will find the instructions for completing the attached certification application (application) along with contact information if you have any questions or concerns.

The application is organized by the ten key components that were used to develop Georgia's *Standards for Accountability Courts*. Following each key component is an adopted standards benchmark (benchmark) prescribed by the Council, also found in Georgia's standards. The benchmarks are numbered as they are found in the Georgia standards. Each benchmark is categorized as a mandatory requirement or a best practice. The mandatory requirements represent the highest priority benchmarks, many of which are in statute. Your VTC team should meet these mandatory requirements or show evidence you are working towards them. Benchmarks that are categorized as best practices are often found in high performing programs. Your team should strive to meet these benchmarks, but should place a higher priority on the mandatory requirements.

For every standard benchmark in the application, a certification requirement is listed. The requirements detail the steps your court should take to meet the adopted standards. Where requested, please mark a response for each requirement. For every certification requirement, a suggested location is provided. For example, many of the certification requirements suggest that certain forms or information be contained in a policy and procedure manual. You can look at your VTC manual for these items or if you do not meet the requirement you can use the suggested location as a guide for implementation. There is also a documentation section for each requirement. Please use this section to indicate if your court meets the requirement. You can also use this section to indicate if there is a supporting form or document for the requirement and to instruct the Standards and Certification Committee where to find the necessary attachments. For example, if you keep a list of your team members in the policy and procedure manual, attach a copy of the manual and indicate a page number.

Please consult your VTC team as necessary when completing the application. Once you have filled out your application and have gathered the necessary attachments, please upload them on the Council's website at <http://www.gaaccountabilitycourts.org/cacj-certification>.

New courts that are still in the development phase may be eligible for a waiver to receive provisional certification status. Please contact Josh Becker at 404-463-6298 or josh.becker@georgiacourts.gov if you have any questions.
